The WingHouse Story

In 1994 the original WingHouse was opened in Largo, Florida. The WingHouse was founded by Crawford Ker, who is a former football player from the University of Florida, Dallas Cowboys and Denver Broncos. Our main attraction is The WingHouse version of "The Girl Next Door" - The World Famous WingHouse Girls. The WingHouse Girls are the foundation of the WingHouse concept. As ambassadors of the WingHouse mission to be "brilliant on the basics" - their great service, positive, friendly attitudes and pretty smiles - encourage guests to make frequent visits and become loyal customers. The WingHouse strives to create a quality and memorable experience for every guest. We are proud of our history, and are looking forward to taking care of you!
